Hi Gene,

Peter asked me to share with you a copy of the BLM's responses to the April 26, 2017 Executive Order 13792 and initial data request. Attached is the executive summary and summary of data requested. All of the background data, maps, and supporting sources of information are uploaded on a Google Drive folder created for the review.

There are 27 total monuments being reviewed, 18 are managed or partially (co) managed by BLM. I will send you three emails to reduce the size.
