Lets work from this basis:

- As you have heard, the Secretary of the Interior will be in Southern Utah this week, on a listening tour regarding Bears Ears and GSENM. This is part of the review under President Trump's Executive Order 13792, to review Monuments.
- The Secretary's visit has been scheduled with the Utah Governor's Office.
- There are currently no plans for the Secretary to stop at any BLM office or visitor center.
- GSENM management has prepared factual information to share with the Secretary's staff
