Hi Randy,

Please find the BLM map that shows the White Mesa mill and Daneros mine. The mill is a surface operation, located on private lands, and is permitted by the State of Utah so has little nexus to the BLM. The Daneros Uranium Mine involves a mining claim outside of the BENM boundary. The company has submitted a Plan of Operations to the BLM, which is currently undergoing NEPA analysis. For reference, information for that analysis is available at: <https://eplanning.blm.gov/epl-front-office/eplanning/planAndProjectSite.do?methodName=dispatchToPatternPage¤tPageId=71596>

External data is also available related to the Daneros mine at: http://www.energyfuels.com/wp-content/uploads/2016/04/Daneros_Technical-Report_July_08_2012.pdf

Downey called from her vacation and asked for 3 things -

information on a uranium mill in or near the Monument, including economic data to the extent available;

a map showing where grazing occurs; and

a map showing hunting areas and/or information on numbers of hunters using the area/numbers of permits issued
