My understanding is that she's getting her direction from Glenn, but I will double check – thanks for keeping me in the loop. Jen

Is Jamie still removed from this issue? If so, I don't think its my place to tell her.

Thanks Randall—

We're reviewing the draft economic reports for San Gabriel and Giant Sequoia National Monuments, and will have any recommended edits/comments back to you on the 21st.

Do you know when you're planning to have the draft economic reports ready for review for Berryessa Snow Mountain and Sand to Snow National Monuments? Will those likely be on a 10-day turn-around as well?

Thanks much.

Here are 10 additional monument economic reports for review. Some of these areas are jointly managed, either BLM-FS or BLM-NPS, and some by individual agencies. Please provide any comments to Ben Simon, copied on the email, with a copy to me, by next Friday the 21st, which will provide 10 working days for review.
