Thank you for sharing the letter with us, Mike. The Commission has a formal meeting next Monday but we have not been invited. They will be participating with BLM in a field tour of projects being planned to address visitor use and public safety within the boundary of the Bears Ears National Monument on June 28-30. Let me know if you have any questions or need information. ed

Hi Jim,

The Bears Ears Commission asked me to forward you a copy of the attached letter regarding the Commission's view of the review process and, in particular, the Commission's role in the management of the National Monument. As you know, the Presidential Proclamation provides the Commission with a role in the management of the Monument. Under the Proclamation, the Commission asks that it be included in management discussions related to Secretary Zinke's Interim Report due on June 10th.

Please feel free to contact me to schedule these management discussions. Thanks,

Rollie Wilson
