Thanks.

Couple minor suggested edits attached. Should we run both papers past PNW one more time and then send (subject to any comments from you, Laura B)?

My comments on Laura B's attached. Laura D- if you have time to address these tonight or this weekend, great, but otherwise I think we can get this to Dan Monday morning, along with the final version of the CSNM paper, which I'm also attaching here (b)(5) ACP, AWP

Laura D- we can chat about that quickly on Monday if that works.

Then, after we get these two to Dan, we can hopefully follow soon with the more detailed writeup of the "pro 1940 M-Op" argument.

Thanks Laura!
