Hi Nikki, The attachment that Penny sent was only the original request, but you have checked the box indicating that you have responsive records.

If you did not find any responsive records, the final box is the one to check. Did you find responsive documents? Thanks, Robin

Hi Robin,  
I signed off on this one for Chris and I and returned to Penny. She was supposed to deliver the folder and cert to you on Monday?

Hi Nikki, Would it be possible to conduct this search today--for you (and maybe Chris)? Except for Doug, who I will email, I have now heard from everyone else. If a problem, I will include this FOIA in my list of "to dos" that Chris asked me to prepare. Thanks, Robin

All,

Please conduct appropriate searches for any records that meet the description in the attached FOIA request, and return the completed attached form (WO DAD 2017-00305) and any responsive documents to me by COB next Thursday, March 16th if at all possible, so I can prepare a consolidated response before beginning my detail to WO-230 on March 20th.

The FOIA Coordinator has the names of the WO-400 Assistant Directors between January 25, 2012 and January 25, 2017, but if I have missed anyone else in this distribution who may have responsive records, please let me know.

Thanks, Robin

Subject: FOIA Request 2017-00305 Search Request

To: Robin Hawks <[rhawks@blm.gov](mailto:rhawks@blm.gov)>

Good afternoon Robin,

I hope this email finds you well. We received the following FOIA request:

- "1. All records discussing or otherwise related to the determination of a boundary for the Bears Ears National Monument or the Gold Butte National Monument pursuant to the Antiquities Act of 1906;
2. All records pertaining to the identification of historic landmarks, historic and prehistoric structures, and other objects of historic or scientific interest within the boundaries of the designated Bears Ears National Monument or designated Gold Butte National Monument; this request includes records describing habitat of scientific species referenced in the Proclamations establishing the National Monuments, locations of areas of archaeological, paleontological, cultural, historical, ecological, or aesthetic importance, and related records describing scientific areas of interest within the National Monuments; and
3. All records pertaining to impacts, threats, or dangers to historic landmarks, historic and prehistoric structures, or other objects of historic or scientific interest within the boundaries of the designated Bears Ears National Monument or the designated Gold Butte National Monument."

The time frame for the search is January 25, 2012 - January 25, 2017. The request, production guidance, and DAD are attached. Please return the completed DAD and records by March 30, 2017. Please send any records provided by email to the FOIA Office group box.

Please don't hesitate to contact me if you have any questions or if any additional information is needed.

Thank you,  
Keiosha Alexander
