Keiosha,

Please find attached a response from WO400 to subject FOIA. Two staff members found responsive records, Sally Butts and Mark Conley. Sally's records are attached to her DAD form (below) and Mark's were sent directly to you and I do not have copies. I have not received a response from Doug Herrema, who is now Palm Springs Field Manager, and I previously forward the names of former Assistant Directors to you for follow-up.

If you have any questions or if there is more we need to do, please let me know.

Thanks, Robin
