DOI 30-Day Policy Look Ahead

Presidential Initiatives and Awareness

1. **HYDRAULIC FRACTURING RULE:** BLM will publish a proposed rule to rescind the 2015 “Oil and Gas: Hydraulic Fracturing on Federal and Indian Lands,” because it is unnecessarily duplicative of State and Tribal regulations and imposes burdensome requirements and cost on the oil and gas industry. The rescission of this rule will be highlighted as a major deregulatory action in the Unified Agenda, which will be released this Thursday by OMB.
Timing: Late July 2017
Contact: Kate MacGregor, Acting Assistant Secretary for Land and Minerals
2. **CRITICAL MINERALS REPORT:** USGS will release a new report presenting resource and geologic information for 23 critical mineral commodities important to our national economy and national security, many of which are sourced entirely outside of the United States. This is the first update since the last assessment undertaken in 1973. The Department will be proposing for White House consideration a draft Executive Order directing Interior to help coordinate the appropriate agencies to undertake a government-wide approach to facilitate the domestic mining and processing of critical minerals.
Timing: July 2017
Contact: Scott Cameron, Acting Assistant Secretary for Water and Science
3. **MONUMENT REVIEW:** The comment period for the National Monuments review period closed on July 10. The Department received around 2 million comments. Several thousand comments are estimated to have come from letter writing campaigns, and many comments consisted of one to two line statements of support for public lands or monuments generally. The Secretary will travel to Nevada and New Mexico to visit the Basin and Range National Monument, the Gold Butte National Monument, and the Organ Mountains Desert Peaks National Monument the last week of July.
Timing: August 24, 2017
Contact: Downey Magallanes, Acting Deputy Chief of Staff
4. **NPS SENIOR PASS INCREASE:** The Department announced July 10 that beginning August 28, federal agencies would begin selling the new America the Beautiful Senior Pass, which allows lifetime access to certain federal lands. The new price for the Lifetime Senior Pass will be \$80, which is an increase from \$10. The annual senior pass will be \$20. This increase is mandated by the National Park Service Centennial Act, passed in December of 2016. Existing passes will be grandfathered.

Timing: August 28, 2017

The hearing is specifically on five bills, but will largely be a messaging hearing for the Department and Congress. It will likely be contentious at points.

1. **SECRETARY ZINKE INVITED TO THE EVERGLADES BY BIPARTISAN FLORIDA CONGRESSIONAL DELEGATION:** Sen. Rubio led a letter to Sec. Zinke inviting him to tour the Everglades as soon as possible. No policy position touted within the letter, other than the importance of the Everglades to Florida. No date has been confirmed, but the Secretary has made it a priority. He would like to discuss the issue with Sen. Rubio over the phone in the immediate future before any trip is scheduled.

The sale offers 75.9 million acres offshore of Texas, Louisiana, Mississippi, Alabama, and Florida for oil and gas exploration and development. The sale, scheduled for August, will include all available unleased areas in federal waters of the Gulf of Mexico and provide a reduced royalty rate for shallow water leases to encourage exploration and production under current market conditions.

2. **GATEWAY WEST TRANSMISSION LINE:** BLM plans to issue a Notice of Intent for an Environmental Assessment to propose an alternate route for the Gateway West Transmission Line in Idaho. Loxahatchee National Wildlife Refuge. SFWMD has shared a draft motion to vacate, and DOJ is reviewing. DOI's technical experts, working with EPA and the Corps, have prepared an analysis of facts relevant to SFWMD's arguments, and we are currently reviewing a draft. DOJ will need to decide the USG position on the case: U.S. v. South Florida Water Management District (S.D. Fla.) - Everglades Water Quality Consent Decree.
