Looks good. Thanks Tim for the thoughtful comments. Especially like how you called out attention to (b)(5) DPP. We need to repeat that direction more often.

Thanks Britta for the good coordination and for copying Cindy S. and Allison G. when you send to WO210.

OK Britta -

As I filtered through the document one more time I found much what I was concerned about addressed. Although there is some confusion on a couple of elements so I have added my thoughts here.

Otherwise a vary thorough and well done document on the NM end of things. These could be suggestions?
