Hello there, Mr. Zinke.

I have read that you propose to shrink parks such as Grand Staircase Escalante National Monument, and that you intend to privatize our National Parks.

Please reconsider.

No to privatization.
No to shrinking parks.

Your legacy should be honorable. America deserves better than to have slimy businessmen clutching and stealing at our public lands. Preserve our Heritage.

Do you want to bring shame to your family and darkness to the land?

Protect our Parks.

Thank you,

Selena Hudson
