Bert: Sounds good- I will let Randy know we are okay with these reports. I think DOI Policy Analysis is compiling a report for each monument, and our role is to review. I'll confirm with Randy, though.

Chris: Yes, give me a call when convenient. I'm at my desk: 202-354-6970.

I did have two questions/comments about the report. Can I give you a quick call Whitney?

I looked over them quickly too and didn't see anything that raised any concerns so, yes, go ahead and let Randy know we are ok with them.

Are we going to have to do something similar for the 3 monuments we are reviewing?

I did a review of these- overall, they look all right to me. A couple of small typos,

misspelling of Katahdin in one place, but nothing major.

Do you have anything to add? Let me know if so. I'll plan to send comments on behalf of NPS by 3pm today.

Thanks,

hi randal,
reclamation has no comments.
fyi, "navajo nation" appears to be misspelled on page 4 paragraph 2 of the interim report, and there's a need for a comma on the second line of page 5 in same.
thx

Attached are drafts of the interim report on the monument review process and the economic report on the Bears Ears monument. Please review and have any comments back to me by 3 pm tomorrow, June 8.

Due to late edits to the draft economic report there are some formatting issues there that will be corrected; no need to comment on those.

I regret the short turn-around, but that is likely to be the norm for this process.
