Hi Randy,

A few comments from NPS:

- General comment: there is inconsistency in capitalization of "monument" in both reports
- BENM report:
 - p7, paragraph on timber: change "Christmas tress" to "Christmas trees"
 - (b) (5) - DPP [REDACTED]
- Interim report:
 - p3, table on monuments being reviewed to determine whether adequate public comment took place: change "Katahden" to "Katahdin"

Will the Office of Policy Analysis draft a document similar to the BENM report for each of the monuments under review?

Thanks for the opportunity to review!

Attached are drafts of the interim report on the monument review process and the economic report on the Bears Ears monument. Please review and have any comments back to me by 3 pm tomorrow, June 8.

Due to late edits to the draft economic report there are some formatting issues there that will be corrected; no need to comment on those.

I regret the short turn-around, but that is likely to be the norm for this process.
