Hi Randy,

We've received comments from BLM and NPS on 3 of these monuments (Craters, Katahdin, and Upper Missouri). The 4th is Hanford Reach which I believe is managed in part by FWS - do you know if they are going to send comments? Also have you gotten any word from FS about comments for San Gabriel and Giant Sequoia?

Ben is just now going through his email so it's possible some of these comments were sent to him and he just hasn't come across them yet.

Thanks!

Ann

Hi Randy,

Here are write-ups for four more monuments. It would be helpful to get comments on these.
