---

no, order came from Downey in Sec office and is perhaps being misunderstood, but I have talked to Julie today and she doesn't feel she can change anything without hearing from Downey - for which I don't blame her. Also, these are "appropriate action", not a reply. I should be able to get them all moved elsewhere after Monday.

I know but can't fix it until Monday when Sec staff returns; there is direction is place that is not workable.
