Certainly!

Maureen, should we start with Mike R to help us identify appropriate personnel in the NE Regional Office and/or at Katahdin Woods? I think we should also send Downey and team a copy of the NPS briefing paper on the clamming issue for the Secretary's background.

Thanks,
VA

Virginia,

I think you were on these emails already but the Secretary is going to Maine June 13-14 to see Katahdin Woods. We have informed the Gov and the delegation but can you connect me with the right person in NPS? I am sure Randy has already interacted with them but wanted to loop you in!
