Attached is a version that makes conforming edits in the remaining paragraphs to conform to Jack's suggestion. From my perspective, this is ok to go to David and Downey.

I have comments in two places (I used comment balloons so they are easy to see). The second one does address a legal concern and would require conforming edits in each of the recommendations. Aaron has reviewed the second edit and is okay with it.

Dan-

Attached is the latest version of this report with DLR comments, mostly some at Downey's request to make the recommendation (b)(5) DPP [REDACTED]
[REDACTED] Subject to any thoughts you have, happy to send these back to her or have you do so.

I have not shared with Ann, although I did compare it to the last version we commented on and it appears all comments on the marine/DPW monuments were

incorporated into this version.
