Thank you. Lets do Friday afternoon - hopefully less chance of it having to be rescheduled than one on a Monday

Could you see if there is a time I could meet with both Todd and Jim? I talked briefly with Jim a minute ago and he agreed to a meeting, but since my new project will end up going through both of them in their capacities as overseers of LLM and FWP, it would make things much easier to have a joint meeting. Thanks

Downey wants me to oversee implementation of all of the recommendations in the monument report, and suggested that you have developed a tracking chart that I would be well advised to copy for this.

Do you have time to talk on this in the near future? By some coincidence I have meetings at 3 today, Thursday and Friday, and nothing else on my schedule, so pretty much available whenever you are.
