I had intended to forward these to you at the time for posting to [regs.gov](#), but apparently got distracted and I can't find anything to show that I actually sent them. Could you post these now?

Hi Randy-

Please find attached a summary compilation of the comments we received as a result of the Dear Tribal Leader letter request for comments. This compilation includes comments submitted in writing and comments made at Tribal listening sessions.

Do you know what the next steps are for review of comments? Are there any meetings of the Monument Review Team scheduled?

Thanks!  
Liz

Downey wants me to oversee implementation of all of the recommendations in the monument report, and suggested that you have developed a tracking chart that I would be well advised to copy for this.

Do you have time to talk on this in the near future? By some coincidence I have meetings at 3 today, Thursday and Friday, and nothing else on my schedule, so pretty much available whenever you are.
