You can reach me at (b) (6) any time after your 3:00 meeting. Basically, I'm just trying to get an idea as to what degree, if any, the FWS was involved with determining what areas were to be included in the Monument.

Thanks.

I have a 3-3:30pm. It may go a little long, but then I can bail for the day.
What number should I call?

Thanks
