Cynthia:

You can reach me at (b) (6) 2 any time after your 3:00 meeting. Basically, I'm just trying to get an idea as to what degree, if any, the FWS was involved with determining what areas were to be included in the Monument.

Thanks.

Larry

I have a 3-3:30pm. It may go a little long, but then I can before I bail for the day.
What number should I call?

Thanks

Would you be available at 3:30 for a quick conversation or sometime after that today?

Thanks.

Any direction you could provide in this regard would be very helpful.
