Scott:

I've been given the responsibility of working with the Department of Justice on information involving the FWS in connection with the Massachusetts Lobstermen's Association suit against the United States challenging the President's establishment of the Northeast Canyons and Seamounts Marine National Monument. We are suppose to provide DOJ with preliminary answers to the complaint by next Friday, April 28. (b) (5) ACP

Any assistance you could provide, or in directing me to the appropriate individuals to address these issues would be most helpful.

Thanks.

Larry
