Cindy and Tyler,
I'd like to ask if you would serve as the POC for your respective monuments to provide the information outlined in the attachment. You'll see that Utah has a very short turn around of May 17 (next Wed).

Please confirm and I'll send your names forward first thing Monday to get you access to the Google Drive. And if I'm missing something about roles and you all being the right folks, please let me know!

Anita

State Directors:

National Conservation Lands received a data call to respond to Executive Order 13792 of April 26, 2017 (82 FR 20429, May 1, 2017) directing the Secretary of Interior to review certain National Monument designations or expansions under the Antiquities Act of 1906, 54 U.S.C. 320301-320303 (Act) (see attached).

The timeline for this data call is a short turnaround for all monuments, due by June 2, 2017, with the exception for both Grand Staircase Escalate National Monument and Bears Ears National

Monument with an expedited due date of May 17, 2017. WO-410 needs assistance with this data call through the National Conservation Lands State Leads and from the affected Monument Managers, or the State Directors' designee, to gather up the desired information. Please review the attached word document for list of needed information and the list of National Monuments under review. We are expected to provide available data and information but not to create data or information or speculate on responses.

A Google Drive document folder is being established to easily transfer electronic files for each of the National Monuments under review. The desire is to limit access to assure consistent data collection. WO-410 is asking each of the States to provide names needing access for each National Monument and the lead from your state to oversee/coordinate this data call.

The two Utah National Monuments will help us to streamline the process and provide more specific guidance for the other National Monuments and the work load associated with this request. A follow-up email will provide more direction for all other BLM National Monuments under review later next week.

Please provide Timothy Fisher (tjfisher@blm.gov) a list of contacts for each monument who will need access to the google drive folder **by COB Tuesday May 16, 2017.**

The National Conservation Lands program appreciates your support in assisting with this important data call

Thank you!
