Looks like they want all fund info, not just 1711. GSENM should be easier. BENM, not sure how you could pull \$ out from the field office/district specific to Monticello v BE. But sounds like they want to know. The FY16\$ that went to all the projects may not get captured in this request.

Tim-

I'm looping in Utah's Budget Staff. I know that the original MLR Base for GSENM was \$4,886,800 but will have to get final \$\$ from Randy or Tiffany. Do they need other small amounts like the NLCS grants that were funded by the WO mid-year?

Because BENM was designated in December, we didn't re-program any L1711 dollars to Bears Ears in FY17 (or FY18, for that matter). Thus, we cannot separate out the funds that were obligated by the field office versus the funds that were obligated within the monument.

Perhaps we should have a brief call this morning to establish what exact information you need us to pull?

Hi Allison

See the above request - is there a way to determine funding for Bears Ears and Grand Staircase for FY 17?

I look up Grand Staircase FY16 from their annual report & obviously Bears Ears will not a budget in FY16.

Appreciate your assistance.

Hi Molly,

We can work on this tomorrow morning. I'll look when I get home this evening because some of this may be included in the monuments review data call.

Thanks, Sally

Hey Tim,  
We recieved this request late this evening. Do you have this information handy? Please note Tonya's message below, regarding possibly needing to clear it further before responding. Regardless, I wanted to send this as soon as I got it so we can at least get the numbers together for a response.

Thanks!

Molly,

Can you get the requested information from your program? Also, for your awareness, we are sharing the incoming request with AD 800 in case there is a need to clear the information through BLM before we respond externally. We should have a better idea of any sensitivities in the morning, but wanted to get started on collecting the information tonight.

Hello Linda and Tonya. I hope that this email finds you well. I am seeking the latest FY funding for the two Utah national monuments--Bears Ears, and Grand Staircase-Escalante. Is it possible to provide me, by COB tomorrow (Friday), the annual funding for each of the monuments for FY2017 (or FY2016 if FY2017 is not available)? I am seeking total funding, including base funding under the National Landscape Conservation System Activity as well as any additional funding that comes from other activities.

Thank you for any assistance that the Budget Office can provide.

Best,

Carol Hardy Vincent
