Dan & Jack-

In advance of our mtg at 1:30, attached are revised versions of the proclamations in response to the comments from OLC and ENRD. We've accepted any straightforward line edits from OLC, left some in for discussion, and added some of our own, as well as answered OLC's posed questions. We can talk through the main points (the primary one is the re-framing described in comment bubble 2 of Bears Ears).

I've left these in track changes for reference, but it may be easiest to view them in final.

OLC is anxious to get these back from us....
