Notable,

The legislation that has been introduced by representatives Stewart and Curtis would congressionally recognize the modified boundaries and change it to separate monuments.

Thanks Tyler, I understand, but I wasn't asking you what it is or how BLM interprets it, I was sharing with you all what the elected officials believe. Also add Rebecca Benally to that list.

I'm at the Canyon Country Partnership meeting and was briefing the agencies on the BENM modification.

Mike Mower, Gov Chief of Staff, and Ryan Wilcox, Sen. Lee's office clearly say the proclamation designated two separate monuments for us, not two units in the existing BENM (and 3 monuments replacing GSENM).
