All-

BLM-Utah must draft legislative reports for three bills by 12/29. We are requesting initial input from the field/district offices by **COB on Tuesday (12/19)**. H.R. 4518 and H.R. 4532 relate to Bears Ears while H.R. 4558 relates to Grand Staircase-Escalante National Monument.

For expediency, we have compiled instructions, copies of each bill, examples of completed legislative reports, and a spreadsheet for comment tracking at:

BLM-Utah Legislative Review of H.R. 4518, 4532 ...

Please begin the section-by-section analysis using the Section by Section Review spreadsheet. You may share with appropriate staff as soon as possible.

Please keep language as neutral and professional as possible.

We will hold a conference call with relevant staff on **Wednesday (12/20) at 2 PM.**
