I have asked Matt Betenson to sit in on the PAT team for 1711, but he is also engaged in all day meetings on March 8-9. We have the Range meeting starting at 1pm on March 7, that both Matt & I should be in, but Matt may possibly be available on the morning of March 7. If not Matt, I could be available from 8am - 9am.

Hello!

I wanted to reach out and determine your availability for L1711/NM/NCA BPSS submission review on March 7th -9th. I think an hour will be sufficient to the call. Cindy- it looks like you have some all day scheduling conflicts on Tues/Wed- is there any flexibility for a call?

Don- can you also please ensure that MtFO/CCD officially selects a PAT Team member for Bears Ears and transmits that information to Budget? Thanks!
