Ed and Anita,

Attached is a simple draft letter to the Bears Ears Inter-Tribal Coalition. Natasha recommended that I address the letter to Co-Chairs Alfred Lomahquahu and Carleton Bowekaty.

During our conversation she also explained to me the relationship between the Bears Ears Inter-Tribal Coalition and the Bears Ears Commission. This letter is addressed to the Coalition not the Commission. In essence, the Bears Ears Inter-Tribal Coalition is larger organization, which deals with political matters. The Commission, includes representatives from each of the five Tribes that are elected or appointed by there respective tribes. They are intended to be a stand-alone body that works closely with the land management agencies.

Putting together the content of the letter was somewhat challenging because I don't

have copies of all of the letters that have sent by the Coalition to the Secretary.

Let me know next steps.
