Mark is retiring 6/30 (the date has changed a few times), and it looks like the Phoenix meeting is 6/1. Let me know if you need help from any of us in Resources.

No problems. I thought of Mark but that is also his last week, so am sure he will be busy with details and I want someone who will be around for the duration of this effort. Let me check with the District. JP

Unfortunately I'm going to be out of the country until June 6. Maybe Mark?

Hi all,

We have been asked to provide BLM field representatives at the upcoming BIA tribal listening sessions per the executive order regarding the Department of Interior's review of National Monuments.

Below is a table with the dates and locations and attached for your reference is a spreadsheet showing which monuments each location includes.

The Phoenix location is the largest and will cover the 16 of the 18 BLM monuments including Bears Ears.

Deb will be discussing with Ray who should attend for AZ and has offered to help coordinate with the other ASD's. We recommend a state NLCS lead, AFM/FM or monument manager.

Please let me know if you have any questions or if we need any follow up discussions.

Thanks for your help!
