For Gold Butte, the Notice of Intent "package" was initiated internally and started routing (internally) but since then has been put on hold per the BLM Nevada State Office. It hasn't been published.

On Gold Butte, has the notice of intent been published, or is it being worked on internally? I want to be sure I understand the wording here.

Could you please provide me with the status of the management plans for these monuments as soon as possible:

Bears Ears, Cascade-Siskiyou, Gold Butte, Grand Staircase-Escalante, Organ Mountains-Desert Peaks, and Rio Grande Del Norte

"Status" need not be in any detail; examples include - completed [date], issued for

public comment [date]; still being developed - anticipated date of issuance for comment if known; in scoping stage; just begun; not yet started. If I've overlooked a stage, feel free to use whatever term is applicable; key point is that only the status is needed for this request, not details.

Thank you in advance.
