Mr. Jorjani,

I inadvertently sent a version yesterday that was an earlier draft. It appears I did not save and update it before I sent the document to you. I apologize for the error. I am including the complete briefing document.

Ben - Please find attached the AS-FWP hallway's first draft for Alaska and Utah. (It will be tightened up.) Mike Reynolds is pulling together separate information on Northern California (USPP, Presidio, Alcatraz, etc.) Will the AS-IA two-pagers be completed by COB today? Again, nothing super detailed. Just short summary documents. Also, if there is are a couple of items re Northern California, please add. The Secretary will likely be in Monterrey next Saturday. CC'ing leadership so that they're in the loop re the timeline. Thank you. Dan

Just a brief discussion of the issues that might come up while he's out there. Please keep everything close hold at this stage. Thank you. Dan
