No co management - BLM is not involved with San Gabreil.
This monument and I think one other USFS monument is under review as the sole stewards.

There are three co-managed with USFS/BLM under review - Bears Ears, Sand to Snow and
Berryessa Snow Mountain.

Thank you, and to be clear BLM has nothing to do with the Monument/co management or anything else? Also were
any of the FS Monuments up for review?

There is a split estate San Gabriel Mtns NM and it would take CASO a few days to get the
fine details. They can work on it if needed in the near future, but for today all they can do is
confirm.
