BLM Weekly Report
January 22-28, 2017
Internal Working Document

I. Executive Travel: January 22-28, 2017

BLM Acting Director Kristin Bail and Acting Deputy Director Jerry Perez will be in the office attending regularly scheduled meetings.

II. Weekly Report:

Week Ahead Announcements- Presidential and Department/Agency Priorities – January 22-28, 2017

January 22: The deadline for public comments on the BLM-NV draft Pine Nut Mountains HMA Plan, a ten-year management plan for wild horses in the Pine Nut Mountains.

Week of January 23: Rep. Grijalva (D-AZ) plans to visit the BLM-NM Organ Mountains-Desert Peaks National Monument. Date and BLM participation TBD.

Between January 23 and March 8: The BLM-AK Central Yukon Field Office will hold public meetings in 11 communities in the planning area, as well as in Anchorage and Fairbanks, to prepare a range of alternatives for the Draft Central Yukon RMP.

January 23: The BLM-WY Rock Springs FO will hold a public open house on the Sweetwater Solar Energy Project to solicit comments regarding issues, concerns and potential alternatives. The proposed photovoltaic solar project would encompass approximately 703 acres of which 638 acres would be located on public land. While the project is not within greater sage-grouse core areas, it may impact nesting and/or breeding habitat.

January 23: BLM-WY River/Bighorn Basin District fire program staff will attend a meeting with partners in Lander to discuss planning and preparation for the 2017 solar eclipse. A public meeting will be held on January 24 in Thermopolis and the BLM will attend.

January 24-25: The BLM MT/DKs Miles City FO has scheduled public scoping meetings regarding the Spring Creek Coal EIS on January 24 in Sheridan, WY, and January 25 in Colstrip, MT. The BLM is the lead agency.

January 25: The BLM-WY Casper FO will meet with Wyoming Game and Fish Department (WGFD) to work toward the completion of the transfer of between 1,200 to 1,600 acres of land around Table Mountain from the BLM to the WGFD.

January 25: BLM-NM will hold their first online Oil and Gas lease sale with 4 parcels covering

842 acres in Sandoval and Rio Arriba counties (NM). Parcels are available for viewing on the Energynet website - <https://www.energynet.com>.

January 25 and 26: The BLM will attend the Fort Berthold Federal Partners Meeting to be held in West Denver, Colorado at a BIA Office. The meeting will address issues associated with Bakken development of oil and gas on the Fort Berthold Indian Reservation and is not open to the public.

January 26-27: BLM-OR will meet with a group of five Korean Nationals who are interested in local conservation efforts.

January 26-28: BLM-OR/WA will host public meetings for the Yaquina Head Recreation Area Management Plan on January 26 in Salem and January 27 and 28 at the Yaquina Head Outstanding Natural Area in Newport. A draft management plan is expected late summer 2017.

January 28: The BLM-AK State Director and BLM Arctic Office Manager will meet with the North Slope Borough Mayor in Utqiagvik to discuss projects involving the North Slope Borough and the NPR-A, including the Regional Mitigation Strategy, development of the Greater Mooses Tooth 2 oil and gas project, and the Legacy Wells program.

Media

Multiple Outlets- Oil & Gas Leases near Zion National Park (UT): Reporter Scott Streater (E&E), Brian Maffly (Salt Lake Tribune) and David DeMille (The Spectrum) requested comment on a press release issued by the Southern Utah Wilderness Alliance and the National Parks Conservation Association regarding two nominated oil and gas lease parcels located two miles from Zion National Park. UT PA Ryan Sutherland explained that there are no active BLM leases or wells in Washington County, UT, and that the next lease sale is scheduled for June 15.

AP- Sweetwater Solar Energy Project (WY): Reporter Mead Gruver wanted to know whether the Sweetwater project would be Wyoming's first commercial solar facility in WY, and what particular issues could come up with permitting PV solar projects on BLM lands. (Sweetwater Solar, LLC submitted a proposal for a right-of-way grant to develop a 702-acre solar panel project area) BLM Rock Springs FM Kimberlee explained the process and that this would be the first commercial solar facility in WY. She also explained that the only safety issues were the 3-buried oil pipelines and power lines that were in the area, and that none of the solar panels would interfere with the oil pipelines or the power lines where the solar panels would be installed.

San Francisco Chronicle- CA Coastal NM Expansion (CA): Reporter Curtis Alexander is working on a story about the California Coastal National Monument expansion. He was on-site at the Coast Dairies property with a photographer and had general questions about management, public access and what monument designation means for Coast Dairies. CA PA provided him

with general information.

Mail Tribune- Cascade-Siskiyou NM (WO): Reporter Mark Freeman requested information on the origination of the proclamation and map for the C-S NM. He wanted to know who determined the exact boundaries and wrote the actual document. WO PA is working this query.

Houston Chronicle- National Monuments (WO): Reporter James Osborne requested information on the amount of national conservation lands before and after the recent designations. He also requested a backgrounder on how the Bears Ears designation will affect leases in the area. WO PA is working this query.

Oregon Public Radio- Cascade-Siskiyou NM (WO/OR): Reporter Jeff Mapes requested information on whether there were recent solicitor opinions that stated it was ok for the President to designate lands in areas of timber harvests. He stated that the timber industry claimed prior DOI solicitor opinions stated areas of timber harvest could not have a NM designation. OR PA and WO PA are working this query.

The World Newspaper- Timber Receipts (OR/WA): A reporter from Coos Bay requested an interview about the timber receipts payment distribution (historical and current payments), and the future of the program. OR PA provided factual information.

30-60 Day Look Ahead

Mid to late January: BLM plans to sign the Boardman to Hemingway ROD. Oregon Plan amendments are being handled concurrently and that decision will be issued simultaneously with the ROD for the EIS and Approval to issue a grant.

Mid to late January: The BLM-UT Moab FO will release for public review an EA for the Needles and Anticline Overlook (Canyon Rims) Road Improvement Project to improve public access and safety. The area is near the Bears Ears National Monument.

Late January TBD: Ed Roberson, BLM Utah State Director, plans to meet with Sen. Hatch. Location, time, and date TBD.

January 29: The Society for Rangeland Management Annual Meeting will be held in St. George, UT. BLM employees from various offices are planning to attend.

January 29 (tentative): BLM-NV plans to gather up to 135 wild horses from the Reveille HMA and surrounding Reveille Allotment. Eighty wild horses will be removed and transported to a BLM adoption facility while approximately 55 horses will be released back to the HMA and treated with fertility control for a post-gather population of 93.

January 30: The BLM and Forest Service will announce the annual adjusted grazing fee for public lands.

January 30: The BLM will meet with representatives from 22 countries to discuss climate change related mitigation measures and clean energy at the Main Interior building.

Late January: The BLM-UT Price Field Office will release for public review an EA analyzing a recreation management plan for the Joe's Valley Bouldering Area.

Late January: The BLM-CO Uncompahgre FO and the Grand Mesa, Uncompahgre and Gunnison National Forests will announce a public scoping on a natural gas development proposal about 12 miles north of Paonia, Colorado.

Early FY2017: The finalized implementation plan for Wilderness 2020 Vision is expected to be issued.

First Week of February: The BLM-ID Challis Field Office plans to capture up to 150 wild horses through bait trapping and remove up to 50 within the Challis HMA to reach the AML of 185-253. The current population estimate is 285. The gather is expected to be completed by mid-March.

February 3: The deadline for public comments on the EA for the competitive oil and gas lease sale scheduled for June 13, 2017 in the BLM-NV Battle Mountain District. The BLM received nominations for 106 parcels of public land to offer for leasing, totaling approximately 195,732 acres.

February 3-11: The 2017 King of the Hammers Ultra Race will be held at the Johnson Valley OHV Area in San Bernardino County. This event, authorized under a BLM special recreation permit, draws thousands of participants and spectators and has received national and international attention for its unique OHV and rock crawling competitions.

February 7: BLM-WY will hold an in-person Oil and Gas lease sale, offering 283 parcels totaling 184,784.25 acres located in Campbell, Carbon, Converse, Crook, Fremont, Johnson, Natrona, Niobrara, Sheridan, and Weston counties. Forty-one of the parcels are located within PHMA and the remaining parcels are within sage-grouse GHMA. Three protests have been received. The Powder River Basin Resource Council is protesting because some parcels or portions of parcels are within the Fortification Creek Planning Area, and they assert the EA fails to address potential impacts to the Fortification Creek area, including the Fortification Creek elk herd. WildEarth Guardians has concerns that the BLM fails to adequately disclose potential greenhouse gas emissions and analyze climate change. Davis Graham & Stubbs, LLP is protesting a single parcel due to concerns related to unleased lands within Communitization Agreements.

February 7-8: The Wildlife and Hunting Heritage Conservation Council meeting will be held at DOI-MIB.

February 8 (approximate): BLM-UT will begin helicopter gather operations in the Cedar Mountain HMA to gather 700 wild horses, remove 300, treat 150 with fertility control and release treated mares with remaining stallions back to the HMA.

February 9: The 60-day public scoping period ends for the BLM-MT/DKs Missoula RMP.

February 11: Deadline for public comments on the Preliminary EA for the Blue Wing Complex Gather Plan in the BLM-NV Winnemucca District.

February 12-15: The Corps Network will hold its annual conference in Washington. BLM staff will attend.

February 13-16: National Native Seed Conference will be held in Washington, D.C. The conference connects Research, Industry, Land Management, and Restoration professionals, providing the premier opportunity to develop relationships and share information about the collection, research and development, production, and use of native plant materials.

Feb 13-25: The Mineral resources report of the Sagebrush Focal Areas of Idaho, Montana, Nevada, Oregon, Utah, and Wyoming will be available the sage brush focal areas. BLM WO received 600 copies from the USGS. These reports will be distributed at the planned public meeting in February and will be sent out to the state and field offices. Public meetings will be held for the proposed SFA Withdrawal EIS at 8 locations: Malta, MT; Salt Lake City, UT; Rock Springs, WY; Idaho Falls, ID; Reno, NV; Lake View, OR; Elko, NV, and Boise, ID from 2/13-2/16 and 2/21-2/24.
