Please provide your comments to me and I make sure that Silas gets one set of consolidated comments from the State Office.

Please review these prior to us posting the EA on ePlanning. We are specifically looking for a review of the language related to the objects and values.
Please send your comments directly to Silas, who can incorporate any needed changes and bring it to Don's and my attention for discussion.

Thanks everyone so much for your support.

Hi Don,

Please review the attached EA and checklist. Amber has already reviewed the document and I've incorporated her changes. The documents can also be found on the J Drive at:
