Hello All,

Attached are draft motions to stay the AFRC and O&C Counties cases challenging the CSNM expansion. The motions request a stay until December 1.

DOJ is now including WH Counsel (John Moran) on correspondence about this case and he will review filings, per request. Jacqueline's email below requests comments in the next few hours if we have anything to add before she sends to WH Counsel. I plan to review now in case there is anything concerning. Brian and I will also send to BLM for review.

Please let us know if you have any comments.

Thanks.

Laura and Brian,

Attached, you'll find the draft motions to stay for both cases in which plaintiffs have opposed a stay for the CSNM expansion. My senior reviewer still needs to take a final look at these, so they're subject to change slightly, but Coby has already edited, and so I wanted to get them over to you for any DOI review. My senior reviewer plans to look at these later this afternoon.

I don't plan to send a draft to John Moran at the White House until my senior reviewer has provided any inputs. So if you get the chance to look at these in the next few hours and have any input, please let me know and I'll incorporate that into a draft to send to Mr. Moran.

Thanks,

Jacqueline
