I'd like to contact reporters for planning purposes tomorrow. Can you please confirm these? Any idea on ballpark locations, like closest town for the Tuesday and Wednesday sites?

That all looks like what we discussed...however, on the last one at Grand Staircase, location is correct but I didn't write down the time...but, since the group is going on a helicopter tour of

Grand Staircase at 1:00 p.m....but a ground tour from 10:00 to 12:00 p.m., wouldn't you rather press be around at the end of the ground tour, rather than the beginning of a helicopter tour? Just a thought...and apologize I missed writing down what you guys determined for that last one.

I just need ballpark towns for Tuesday and Wednesday. These monuments, as you know, are millions of acres so just trying to get an idea of which general area of the monument to have reporters plan on.

Sorry...I would recommend you guys touch base with the Governor's press contact for more info. If you don't have it, we can locate it tomorrow. I have given them both of your names and cell numbers...and thought they would have reached out.
