Hi Shannon,

We have reviewed the NM spreadsheet and made some edits. Unfortunately, the spreadsheet seems to be protected so we weren't able to show any of our edits in track changes. We mostly removed duplicate BLM entries and added federal and non-federal acres (we added state and private inholdings to the column header to clarify). We also added two city names that were omitted. I also noticed that many of the Resource Objects and Values (ROV's) that we originally submitted for those NM's designated by proclamation were replaced with the wording from the actual proclamation and the list of ROV's we submitted only remain for those that are congressionally designated. This is completely fine except that it should be noted that courts give deference to BLM and the ROV's that are further defined by BLM through NEPA, in addition to the more general nature of the proclamation language. Just wanted to point that out for reference. One solution would be to add "BLM ROV's Defined through Management Plans" below the Proclamation language with the list we had unless that confuses things for this request. I'll defer to you.
