Hi Ann,

Please find attached our responses (and three attachments) to the BENM follow up questions on the initial data provided. The Utah BLM office is also preparing a map for question 1 and should have that ready to send tomorrow.

Please let me know if you need anything else,

Nikki

Hi Nikki,

Thank you for all of the information you and your colleagues have amassed and shared with us on Bears Ears National Monument. We appreciate the time you all have taken to respond to our data call as well as all of the supplemental documents you provided. We have some follow-up and clarification questions below. I can set up a call at your

convenience to talk through the questions if that is easier than responding via email. Just let me know what your preference is - if you would like me to set up a call, please let me know who to include on the invite.
