I'm sorry, but do not recall anything for today, and I checked my emails to and from you and Kathy. If, despite that, we arranged a meeting, my sincere apologies, but I am on leave taking care of car inspection and a lot of other things I don't think I will have time for once this process gets moving. If we need to talk apart from tomorrow's team meeting, I could do it after 3:30 tomorrow or any time Friday.
