On July 11, BLM Cultural Resources and Law Enforcement program staff will meet with the GAO to discuss looting and trafficking of Native American artifacts. GAO requested the meeting as part of its current focus on looting and trafficking and to follow-up on its prior review of Federal agency compliance with the Native American Graves Protection and Repatriation Act.

On July 12, BLM-WY Field Manager Mike Phillips will attend a planning and preparation meeting in Thermopolis, WY, for the Aug. 21, 2017 solar eclipse. The planning group, which meets monthly, also includes Hot Springs County, Wyoming State Parks, Wyoming Office of Tourism and local emergency services. Local media may attend.

On July 13, BLM-WY High Plains District, Buffalo Field Office, and Casper Field Office staff will meet with Converse and Campbell County commissioners to discuss coal and oil and gas conflicts in their respective counties. These conflicts occur when both industries compete for mineral rights in the same location. This meeting will begin discussions on how the county commissioners can help the industries carry out their work so it meets the guidelines in the Buffalo Resource Management Plan. The public and media will not attend and no controversy is expected.

On July 14, the House Natural Resources Subcommittee on Federal Lands tentatively plans to hold a hearing on various public land bills, including the following two of interest to BLM:

- H.R. 2582 Confirming State Land Grants for Education Act (Rep. Love, R-4-UT)
- H.R. 1547 Udall Park Land Exchange Completion Act (Rep. McSally, R-2-AZ)

Witness TBD.

On July 15, BLM-AZ Phoenix District staff will meet with an International Visitor Leadership Program group from Iraq hosted by Global Ties Arizona. District staff will provide information (through

interpreters) on shared stewardship of cultural and historical sites. The Arizona State Historic Preservation Office may also participate. The State Department suggested the group meet with the BLM to learn more about building partnerships and engaging citizens in cultural and historic preservation.

Week Ahead Announcements and Actions

On July 10, four individuals charged with various crimes during the 2014 Gold Butte cattle impoundment are scheduled to be re-tried in U.S. District Court, Las Vegas, following the declaration of a mistrial on April 24, 2017. The BLM communications team has and will continue to coordinate with DOI communications on public statements or related materials.

On July 10, BLM Natural Resource Specialist Bob Wick will participate on an interagency panel to discuss wildlife management in wilderness at the Western Association of Fish and Wildlife Agencies (WAFWA) annual conference in Vail, CO.

On July 10, the BLM-CO White River Field Office will initiate a 30-day public scoping period for a proposal to develop a 384-mile off-highway vehicle (OHV) route system incorporating mostly existing BLM and county roads. Rio Blanco County submitted the Wagon Wheel West OHV Trail proposal to the BLM to increase trail system-based recreation throughout the county and northwestern Colorado. Recreation on BLM-CO-managed lands generated \$543 million and supported 4,625 jobs in FY 2015.

On July 10, BLM-NV will welcome Story House Productions GmbH from Germany, who is filming a mini documentary for German TV at the Northern Nevada Correctional Center on the Wild Horse Inmate Training Program. The film's focus will be how this benefits inmates and prepares them for society.

On July 10, the public comment period on the National Monument review will end. BLM-WO staff members are reviewing public comments. In addition, Timothy Fisher, National Lead for National Monuments and National Conservation Areas continues to coordinate with BLM-WO leadership, State Offices, Monument Managers, and the DOI Office of Policy Analysis in preparing the final report on the 18 National Monuments managed by the BLM. This will be ongoing through July and early August.

On July 13, BLM-AK Glennallen Field Office will begin issuing Federal subsistence harvest permits for the 2017-2018 moose and caribou hunting seasons. The BLM issues nearly 3,500 Federal subsistence permits annually and provides permitting opportunities to rural residents in Delta Junction, Cantwell, Slana, and Glennallen.

From July 14 to 30, the BLM will have an interagency "Camp Smokey" exhibit and public outreach booth at the California State Fair in Sacramento. Its purpose is to teach children and the public about fire prevention and safety indoors and outdoors.

From July 14 to August 25, BLM-AK plans a temporary shutdown of the Trans-Alaska Pipeline System. Alyeska Pipeline Services Company plans safety and integrity protection system downloads requiring

short-term shutdowns for the Trans-Alaska Pipeline System this summer. The BLM Alaska Branch of Pipeline Monitoring will observe the shutdowns.

In mid to late July, BLM-CA anticipates the completion of the proposed Hester land exchange. The exchange will result in the BLM's acquisition of approximately 550 acres of non-Federal lands within the new Sand to Snow National Monument in Riverside County, in exchange for 40 acres of Federal mineral interests located on private property in San Diego County. The exchange finalizes restitution of a trespass settlement that began in 2013. Rep. Duncan Hunter (R-CA-5) has been a strong advocate for the exchange and the BLM is keeping him informed of its progress.

During the month of July, the U.S. Army will undertake a munitions cleanup in public access areas at BLM-CA's Fort Ord National Monument. Fort Ord is located about ten miles northeast of Monterey and is in the Central California District Office. The cleanup encompasses about 800 acres of BLM-managed lands and Army-managed lands in the northern portion of the monument. The first phase of cleanup is cutting vegetation, which will require road and trail closures. Phase two will include prescribed burning.
