Good Afternoon Susan,

We received the attached request from Landon Newell:

“Any and all records relating to maps of recommended new boundaries for Grand Staircase Escalante National Monument. This includes, but is not limited to, any records shared by or with the State of Utah and its counties, including Kane County, and officials or employees thereof, state or federal legislators (including their staff), state and federal agencies (such as DOI, the Bureau of Land Management, or Utah’s Public Lands Policy Coordinating Office), and any non state or non federal individual or entity.”

Clarification: I spoke with the requester to clarify the scope of this request and the main record that the requester is interested in is the map/or any map that relates to the recommended boundaries for the Grand Staircase Escalante National Monument in Utah from January 20, 2017 – August 17, 2017.”

The date range for the search is January 20, 2017 – August 17, 2017. The request, production guidance, and DAD are attached. Please return the completed DAD and records by August 30, 2017.

Please let me know if you have any questions.

Thank you,
Keiosha Alexander
