Sorry, wrong version of one of them.? use these instead....apologies.? Also, we're still discussing with ENRD the question about the delay in the effective date; hoping to hear from them this morning.

Dan-

Attached are clean versions of the proclamations that we and OLC are comfortable with (subject to further thoughts from OLC on the exchange legislation issue for GSENM).? Working on the revised maps and will send those as soon as we have them.

From our perspective, (and obviously subject to review/signoff by the Dept) these are ready to be finalized for transmittal to the WH.? Will send the maps as soon as we have them and are working on the memos right now.
