National Conservation Lands, a quick reminder that the GSENM DRMP-A/DEIS program pre-brief is scheduled for today from 1-2 pm EDT. The purpose of the pre-brief is to provide program feedback on the presentation (not the amendment), make sure key points are addressed, and help prepare Utah for the Directors Briefing.

There are no remaining issues from the WO410 review of the draft amendment. The WO410 BP for GSENM has been shared with you.
