thanks, Downey. OLC is good as well with a couple of really minor additional tweaks. We will send up clean versions in the morning along with revised maps. OLC will also get back to me in the morning with any further thoughts they have on the issue associated with (b)(5) DPP (b)(5) ACP [REDACTED].

Dan-

Here is OLC's passback on the version we sent last night, with our minor tweaks in response, along with answers to their questions. We are comfortable with this approach.

One important thing to note is (b)(5) ACP, AWP [REDACTED]

(b)(5) ACP, AWP

A large rectangular area of the document is redacted with black bars. The redaction covers approximately five lines of text, starting from the line containing the text "(b)(5) ACP, AWP" and extending down to the line containing the text "202-208-3495".
