Hi, Dan:

Per our discussions, attached is a chart (b)(5) DPP (b)(5) ACP

Also [linked here](#) is a google drive folder that has background documents regarding the modification of Mt. Olympus National Monument in 1915. (b)(5) DPP (b)(5) ACP

(b)(5) DPP (b)(5) ACP

(b)(5) DPP (b)(5) ACP

We are working on a similar chart for GSENM, as well as pulling additional historic files from archives on other monument modifications that we think may prove useful to OLC's questions.

Assuming this look ok to you and Jack, will you plan to run this past David/Downey? I'd then be happy to transmit over to Rosemary once we have approval.

-Aaron
