John also suggested Sheila Mallory who is on detail with 800? Do you mind if I reach out to her as well?

Hi Nikki -- I am wondering if Ester Would be interested in providing this support. She has been on detail with 800 and I believe she is interested in better utilizing her skills.

Thanks.

All,

As part of the National Monument review public comments the BLM is being asked to set up a 6 8 person review team by COB Wednesday the 24th. We have one person from WO 200 and WO 400 and need four additional people.

They are looking for people with a general awareness of public land management issues who are also fast readers and can make quick decisions. They do not need to be subject matter experts on monuments although that does not disqualify them from this phase of the review. Team members can be remote and will work from their desks or telework, with a username and password to access the system. The initial focus will be on Bears Ears. It is anticipated the workload would be 2 3 days per week for 3 5 weeks, but could vary if the correspondence review process goes slower than anticipated, or if a substantially larger number of comments are received than anticipated.

If you have someone on your staff that could help with this team please email their contact information to Nikki Moore, [nmoore@blm.gov](mailto:nmoore@blm.gov), before COB on Wednesday the 24th.

Thanks.

John
