Tim-

Hello! Hope you're getting settled in to your new position.

I'm attaching a few files for your perusal- begin with the Checklist for BENM. If you'd like to set up a call next week to discuss, let me know. Or we can wait until you come through SLC the 20-21. It would be good for you to meet Tyler, Project Manager for BENM.

Please keep these close hold. Thanks!

Regards,

Allison Ginn
National Conservation Lands Program Lead
BLM Utah State Office
801-539-4053

Monticello Field Office Base Funding Requests

In August 2016, a task group was developed to evaluate and provide recommendations concerning the impacts of increasing recreational visitation to archeological, traditional cultural properties and paleontological (heritage) resources located on the public lands of southeastern Utah. The task group identified long-term recommendations are annual increases to the MFO basic funding. Currently, the MFO receives about \$1.8 million for labor and operations. An increase in basic funding to \$4.1 million is needed to address on-going increases in visitor use at fragile cultural resources sites and facilitate heritage tourism and traditional American Indian uses in this area.

With Monument designation, additional critical positions need to be filled including a monument management team and support staff.

Assuming that hiring begins immediately, new positions will be filled by approximately mid-year. Therefore, projected 2017 base funding will be approximately 1.15 million for 2017. The Monticello Field Office also projects possible short-term increased costs to allow for some positions to be filled with "details" in order to meet immediate staffing needs.

In lieu of Monument designation, the BLM-Utah is currently working developing a short- and long-term staffing plan and re-evaluating the existing table of organization. Long-term base funding requirements will be determined following this exercise, but are projected to exceed the 2.4 million requested to cover immediate program needs.

| Immediate Program Staffing Needs (increase in annually appropriated basic funding) | | | |
|---|-----------------|--|---|
| Recommendation | Funding Request | Funding Mechanism | Notes |
| <p>Comprehensive workforce increase Increase the MFO's capacity by filling already funded and approved vacancies; unfunded and approved <i>new</i> positions; and unfunded and newly proposed positions, in support of the cultural resources, recreation, law enforcement and woodlands (forestry) management programs.</p> <p>Seasonal Workforce Increase Hire a career seasonal archaeology and recreation workforce</p> | \$2,124,424 | Funded using an increase in annually appropriated basic funding for labor. | <p>See attached workforce planning table of organization and cost tables for more information.</p> <p>Positions include:</p> <p>GS12: Assistant field manager over heritage resources</p> <p>GS9: Forester to manage traditional wood harvesting actions</p> <p>GS5: Resource clerk to support natural resource staff</p> <p>GS11: Resident law enforcement ranger in Bluff</p> <p>GS11: Planning/environmental coordinator for cultural resource management plans</p> <p>GS11: Planning/environmental coordinator for day to day workload</p> <p>GS11: Archaeologist for Tribal and NAGPRA projects</p> <p>GS9: Education/interpretation and volunteer coordinator</p> <p>GS9: Archaeologist for survey, stabilization, consultation, research</p> <p>GS11: Outdoor Recreation Planner for Travel Management</p> <p>GS9: Supervisory Park Ranger</p> <p>GS9: Law enforcement ranger</p> <p>GS12: Law enforcement special agent</p> <p>GS11: Tribal liaison</p> <p>Career seasonal positions include:</p> <p>Five GS9: Archaeological technicians for stabilization and survey</p> <p>GS5: Archaeological technician for survey</p> |

0

| | | | |
|--|-----------|---|--|
| | | | GS5: Park ranger to support fee collections GS7: Park ranger for Indian Creek, Beef Basin and Dark Canyon GS7: Park ranger for Butler, Comb Ridge, Alkali, and Mont. Creek |
| Operations for workforce increases Including operation costs per position and annual vehicle costs | \$247,000 | Funded using an increase in annually appropriated basic funding for operations. | |
| Grand Total for Annual Basic Funding Increase | | | \$2,371,424 |

WELCOME TO THE BLM'S NATIONAL CONSERVATION LANDS!

www.blm.gov/programs/national-conservation-lands

NEW NATIONAL MONUMENTS & NCAs CHECKLIST – What to do right after designation

Primary Actions to be done immediately after designation (Work closely with the Washington Office to complete these tasks):

- ☐ Identify an interim manager/point of contact for the new National Conservation Lands unit (e.g. Asst. Field Manager, Outdoor Rec Planner, etc.).

Status: Ongoing. The position of interim monument manager has not been flown nor filled. Don Hoffheins, Monticello Field Office Manager, will continue to be responsible for day-to-day management of public lands in BENM. Tyler Ashcroft, Project Manager, will provide project management assistance in the development and execution of a BENM implementation plan.

- ☐ Acquire acreage data for the new unit (total acres, BLM managed acres, other federal and state managed acres, inholdings, private).

Status: Complete. Bears Ears Boundary is included in corporate data on the SDE server for NM/NCAs. The overarching Monument boundaries (including all land tenure) is approximately 1.478 million acres. Of that, ~1.35 million acres are federal lands. See acreage table below (which includes natural areas, ACECs and SRMAs that were designated in the 2008 Monticello RMP as well as BLM WSAs and USFS designated wilderness). There are also 112,700 acres of Utah State Institutional Land Trust Administration (SITLA) inholdings.

| Admin | BLM | Forest Service | Total Federal |
|--|-----------|----------------|---------------|
| Acres | 1,062,900 | 289,000 | 1,351,900 |
| Wilderness/WSA Acres | 381,000 | 46,000 | 427,000 |
| Wilderness/WSA Percent | 36% | 16% | 32% |
| Natural Areas Acres | 48,800 | 0 | 48,800 |
| Natural Areas Percent | 5% | | 4% |
| ACEC/RNA Acres | 28,885 | 266 | 29,151 |
| ACEC/RNA Percent | 3% | 0% | 2% |
| SRMA Acres | 562,000 | 0 | 562,000 |
| SRMA Percent | 53% | 0% | 42% |
| SRMA (no overlap) | 268,400 | 0 | 268,400 |
| SRMA (no overlap) Percent | 25% | 0% | 20% |
| Total Acres Protected Before NM Designation | 727,085 | 46,266 | 773,351 |
| Percent Protected Before NM Designation | 68% | 16% | 57% |

- ☐ Find and collect high-quality photos of the areas/landscapes within the new unit boundaries and make them available to the WO.

Status: Ongoing. Task: Monticello Field Office to begin collecting photos. State Office has Bob Wicks (Summer 2016) photographs. Note: There are quite a few lovely Wick photos of cultural resources on BLM's Flickr account, but we can only feature those classified as Class I sites (see "ClassIandIIareas MtFO.pdf"). We are in the process of moving some of BLM's more prominent Class II sites to the Class I list, but until the official change takes place we cannot divulge the location of non-Class I sites.

- ☐ Prepare an itemized list of funding needs for the new unit (include labor, operations, facilities, and other start-up costs) to be made available for Budget Office requests and other information sharing.

Status: Ongoing. The Monticello Field Office requested funding for critical resource protection and recreation and visitor services improvements in fall 2016. Approximately \$3.7 million dollars was provided to Monticello Field Office prior to Monument designation to assist with some immediate on-the-ground action items. UTSO and MtFO identified a list of priority projects needed to improve visitor safety, protect resources, and enhance visitor experiences and are working on obligating funds (see "MtFO One-Time Funds (FY16 Carryover) Spending Plan 031017.xls").

Projected annual base-funding needs for critical positions (LEO, forester, park rangers, etc.) were estimated at ~\$2.4 million (see "Monticello Base fund request 011117.docx"). There has been no provision of base funding increase.

- ☐ Develop a new webpage for the new unit; use designating language for content and use photos.

Status: Ongoing. Basic information was added to the website by WO. Additional materials, including recreation and travel management maps are nearly complete (see "BearsEarsTravelMap 031017DRAFT.pdf"). Assigned: Hannah Cowan, Stephanie Cooper, Allison Ginn. WO410 (Ilana Cohen and Clayton Schmidt) are using the updated RECS data and working with UTSO and MtFO (Amber J.) on the "Coming Soon – Recreational Map" (estimated completion in April).

- ☐ Start serialized case file for the new unit.

Status: Assigned: Don Hoffeins, MtFO staff

Next steps:

1. Know your authorities

- ☐ Get to know the proclamation that created the new unit.

Ongoing: Review of proclamation has occurred at Field, District, State, and SOL levels.

- ☐ Identify and record the resources, objects, and values for which the unit was designated

Ongoing: Review of proclamation has occurred at Field, State, and District level. SOL provided initial input at 1/3 meeting. MtFO is drafting initial list of Resources, Objects and Values (ROVs). Allison has requested additional background info from WO 410 on the distinction

between “objects” and “values”. A draft version was sent to SOL in late February. Expect heavy coordination between MtFO, UTSO, WO, SOL, USFS, and Tribal Commission.

- ☐ Identify management prescriptions and other relevant provisions in the designating language.

Ongoing: Review of proclamation has occurred at Field, District, State, and SOL level. This will become critically important as planning or NEPA moves forward.

- ☐ Familiarize the team with Title II, Subtitle A: National Landscape Conservation System (Public Law 111-11 (Omnibus Public Land Management Act), FLPMA, and other relevant statutes. Ongoing: Reference
- ☐ Read Secretarial Order 3308. Ongoing: Reference

2. ***Know your policies*** Ongoing: Reference

- ☐ Read relevant BLM Manuals and consider how they relate to the new unit designation:
 - ☐ Manual Section 6100 (2012) – NLCS
 - ☐ Manual Section 6220 (2012) – National Monuments, NCAs, and Similar

Designations

Ongoing: Reference

- ☐ Read other program Manual Sections that may apply to your unit, including Recreation, Visual Resource Management, Realty, Solid Minerals, Range, etc.

Ongoing: Reference

- ☐ Review potentially relevant Instruction Memoranda (Refer to attached list of related National Conservation Lands IMs and IBs).

Ongoing: Reference

- ☐ Review relevant Resource Management Plans, activity plans, and other land use plans that apply and review for consistency with the designating authority.

Ongoing: Reference

3. ***Take actions to implement law and policy***

- ☐ Identify and pursue relevant and needed training for employees (new and existing) For example volunteer coordination, partnerships, lands and realty, budget, etc.).

Ongoing: several new employees (Lands & Realty Specialist, Supervisory ORP and archeologist) in the MtFO need initial training on programs. UTSO would like to work with WO on NM/NCA-specific training for in-person delivery.

- ☐ Consider potential changes in land use policy and discretionary decisions to accomplish the purposes described in the unit’s designating language.

Ongoing: Related to MMP, which will not likely kickoff prior to FY18

- ☐ Review existing permits and authorized uses for compatibility with the designating authority.

Ongoing: MtFO is reviewing authorized uses. Management has been working on contacting permittees. MtFO requested assistance in reviewing existing ROWs as their L&R Specialist is new. UTSO is down two key L&R Positions. Potential to reach out to neighboring states or WO?

- ☐ Initiate projects to educate the public about the new National Conservation Lands unit.

Ongoing: Initiated development informational materials intended to improve visitor safety, protect resources, and enhance visitor experiences, including signs, maps, a brochure, frequently

asked questions, and other web materials. Working on website, maps, brochure – anticipated final map products in March and April. Design work for portal signs and educational sticker is also nearly complete- awaiting final USFS determination of logo use/co-branding (see “Bears Ears BLM + FS House on Fire Orange 4x2 March 2017 DRAFT.pdf”).

- ☐ Request to have a new organizational code assigned in FBMS for the new unit.

Tyler needs to assign POC- Will Brian Mueller cover this during revision of administrative unit boundaries?

- ☐ Identify historical funding for management of the public lands that are now the unit.

Include overhead costs (25-30%). Include FTEs, facilities, projects within the boundaries, etc.

Ongoing: Utah’s previous budget information for the Monticello Field Office is readily available- we will need to separate funded projects outside of the Monument (~500K acres of MtFO).

- ☐ Initiate the process to re-program other subactivity funds into subactivity 1711, as applicable.

Utah is submitting FY18 funding requests for at least one L1711 one-time project for the new Monument. Need WO assistance on any base funding increases (requested at \$2.4 million). News reports indicate that Utah’s Congressional delegation strongly opposes funding for the new Monument.

- ☐ Communicate the budget situation, including immediate needs, to your State and Washington Offices (via briefing paper).

Ongoing: Allison to reach out to Tim Fisher in WO.

- ☐ Read and get to know the 15-Year NLCS Strategy and the state’s Step-down Strategy.

Topic recently covered at annual Outdoor Recreation & Heritage Resources Conference; copies placed in UTSO and MtFO Bears Ears Folders.

- ☐ Integrate the new unit into BLM’s systems: RMIS, FBMS, FAMS, LR2000, MIS, PMDS, etc. RMIS should be a top priority so that visitation numbers can be tracked.

Ongoing: Utah’s new Recreation and Visitor Services Program Lead is Matt Blocker.

- ☐ Submit budget requests for resource management plan development or amendments.

Ongoing: BLM-Utah is gathering data needs/etc. for pre-RMP.

- ☐ Gather and prepare the spatial data for your unit, including its boundary and recreation facility data, in order to submit it to the NOC’s NM/NCA and recreation datasets. This ensures your unit will appear on BLM maps, be included in the recreation mapping project, etc.

Initial push complete. Bears Ears Boundary is included in corporate data on the SDE server for NM/NCAs. Additional Utah-selected photographs have been added to [the BLM Bears Ears Flickr Album](#) and hyperlinked to BLM corporate GIS data for the RECS database. If additional cultural sites are classified as Class I, BLM-Utah will hyperlink photos, as appropriate.

4. Know your players

- ☐ Reach out to the cooperating agencies and entities identified in the designating language.

MtFO and UTSO have reached out to USFS, SITLA, 5 tribes in proclamation, and state and local government representatives.

SITLA has initially declined to move forward on discussions on land exchanges.

BLM has coordinated with the Forest Service through multiple meetings on day-to-day activities and initiated discussions regarding short- and long-term management needs, including staffing needs, funding, and a potential service first agreement.

BLM (USFS asked BLM to lead) prepared a Monument Advisory Committee Charter and a Federal Register Notice calling for nominations to the Monument Advisory Committee (FRN has not published).

Prepared (or preparing) responses to inquiries, including a FOIA from Conservation Lands Foundation, request from House Oversight and Government Reform Committee, and an information request from the State of Utah.

- ☐ Create a contact list of all relevant BLM, other federal, tribal, state, local, and interest group contacts.

Ongoing: POC: BLM-Utah External Affairs

- ☐ Participate in monthly National Monuments and NCAs Conference Calls on the third Thursday of each month.

Don Hoffheins and Tyler Ashcroft have been added to the invite list for calls post-January 2017. Allison will continue to participate.

- ☐ Engage partners – go to other organizations' meetings.

Ongoing: Ed Roberson (State Director) attended Friends of Cedar Mesa's annual gathering weekend of 3/5 (400+ people in attendance)

- ☐ Brief the State Office and Washington Office about the progress, events, related to the new unit.

Ongoing: continued communication through Tyler Ashcroft (Project Manager) and Allison Ginn (NLCS). WO has new permanent NM/NCA Program lead- Tim Fisher reporting early March.

- ☐ Develop an outreach strategy / communications plan in coordination with Public Affairs and National Conservation Lands Leads.

Ongoing: BLM-Utah External Affairs responses to nearly daily requests from media. News Release on January 19th, 2017. Engagement strategy is still in progress – Department has asked us to stand down on public outreach in the short-term through initial administration transition

List of IMs and IBs for National Monuments and National Conservation Areas and Similar Designations (July 2015)
