VI. Weekly Report:

Week Ahead Announcements and Actions

During the week of September 18, BLM-AZ will announce the acquisition of the 600-acre ET Ranch in Southeastern Arizona, through a shared conservation partnership with the Trust for Public Land and Arizona Game and Fish Department. The acquisition will open access for hunters, hikers, and backpackers to 32,600 acres of Federal wilderness area for the first time and is supported by 20 Arizona hunting and sporting groups.

On September 18, BLM-MT Acting State Director Jon Raby will meet with Chairman Azure of the Fort Peck Tribes in Poplar, MT, to provide an update on the status of the Keystone Pipeline. The purpose of this government-to-government informational meeting is to discuss the Tribe's concerns and questions regarding the pipeline, such as the proposed route. The proposed route of the pipeline crosses the Missouri River above the intake of the reservation's community water system. The path may also cross areas of cultural significance to American Indians.

On September 18, the public comment period closes on the BLM-NV December 2017 Oil and Gas Lease Sale Preliminary Environmental Assessment. A competitive oil and gas lease sale will be held December 12. The BLM received requests to lease 208 nominated parcels of public land, totaling 388,960 acres. The parcels are located in White Pine, Nye County, and Lincoln County. There is no estimate on the number of bidders at this time. There are no known controversies, but they could be identified during the scoping process.

On September 18 - 19, BLM-MT Eastern District Manager Diane Friez will attend the quarterly Fort Berthold Federal Partners Meeting in Lakewood, CO. The meeting will address ongoing issues and challenges associated with Bakken development of oil and gas on the Fort Berthold Indian Reservation.

On September 19, BLM-WY Buffalo Field Office will meet with landowners from around the Pumpkin Buttes Traditional Cultural Property to discuss concerns with a proposed Programmatic Agreement that would streamline and define that tribal consultation about federal projects within three miles of the area would take place. The meeting will be staffed by local BLM management and subject matter experts on oil and gas development and cultural resources from the Buffalo Field Office. The public and media will be invited.

On September 20, BLM-WY High Plains District will hold a public scoping meeting on the West Antelope 3 Lease By Application. A brief presentation will be made by the project manager Teresa Johnson, Environmental Protection Specialist. Concerns will then be solicited for analysis in the environmental impact statement. At this point, anticipated issues include conflicts among coal and oil and gas horizontal drilling (split mineral estate), air quality and long-term environmental effects. There are no public lands managed by the BLM in the application area. The entire surface is either owned by the mine or the state. BLM only manages federal minerals within the application area. BLM staff in attendance will include Casper Field Manager Tim Wilson, Buffalo Field Manager Lonny Bagley, High Plains District Manager Stephanie Connolly, Assistant District Manager of Solid Minerals Steve Wright, Brady Owens of High Plains District Public Affairs, and Teresa Johnson of High Plains District Solid Minerals.

On September 21-23, John Ruhs, BLM acting Deputy Director, will attend the Public Lands Council Annual Meeting in Flagstaff, AZ. He will provide an agency update during the general meeting and will participate in a signing ceremony for the Monitoring Memorandum of Understanding with PLC during this session. The MOU provides a framework to improve the quality and quantity of short- and long term allotment level monitoring information on BLM-administered rangelands and provides opportunity for cooperation, communication, and consultation between permittees/lessees and the BLM. In addition, he will help present Stewardship Awards for 2017.

On September 21, BLM-Eastern States will hold an online oil and gas lease sale for three parcels in Monroe County, OH, totaling 141.56 acres, and 3 parcels in Catahoula and Bienville Parishes, LA,

totaling 50.15 acres. The sale in Ohio is expected to be controversial. Bidding is not expected to be robust.

On September 21, BLM-WY will hold an online oil and gas lease sale for 141 parcels totaling 118,055.54 acres in Niobrara, Weston, Goshen, Crook, Converse, Campbell, Johnson, Fremont, Big Horn, Washakie, Weston, and Sheridan Counties, WY. The sale is not expected to be controversial. Bidding is not expected to be robust.

On September 21, Rep. Greg Gianforte will visit the BLM-MT Miles City Field Office to discuss wildfire, fire fuels reduction projects, and other related topics in a round table setting. The trip is part of the congressman's planned trip to the area. As part of his visit, he will tour the Knowlton Fuels Project to highlight the positive work accomplished in the fuels reduction arena. Media has been invited. BLM staff attending will include District Manager Diane Friez, Field Manager Todd Yeager, Fire Management Officer Eric Lepisto, Fire Management Specialist Paul Pauley, and Public Affairs Specialist Mark Jacobsen.

From September 24-30, Larry Claypool, BLM Associate State Director in Wyoming, will be traveling to Canada to visit Winnipeg, Thompson, Estevan, Regina, Fort McMurray, and Calgary as part of an US-sponsored energy tour. As part of this tour, he will meet with Canadian Government and energy industry officials to discuss innovations in the oil and gas sectors, carbon capture, and the energy relationship between Canada and the United States.

30 - 60 Day Look-Ahead

On September 25, the 60-day public comment period for the proposed rule to rescind the BLM's 2015 Hydraulic Fracturing Rule will end. The BLM's proposal rule aligns with Administration priorities to seek ways to reduce regulatory burdens and compliance costs. The BLM will review the comments received and take appropriate actions to address those that are substantive. Publication of a final rule in the *Federal Register* is anticipated in December 2017 or January 2018.

On September 27, BLM-NV's Mojave Southern Great Basin Resource Advisory Council is scheduled to meet in Las Vegas, NV.

In late September, BLM-UT's Canyon County District and the Manti-La Sal National Forest intend to approve a mine plan modification for the La Sal Uranium Mine Complex to consolidate plans of operation for several mines, and authorize expansion of operations and phased expansion of exploration. The decision will include additional safety, environmental protection, and reclamation measures and monitoring requirements. The project is expected to generate 80 to 130 jobs.

In late September/early October, BLM-MT Acting State Director Jon Raby and/or Deputy State Director for Energy, Minerals, and Realty Don Judice will meet with BLM Director Mike Nedd and staff from Montana Department of Natural Resources and Conservation in Helena to coordinate on the upcoming tribal consultation session scheduled for October 31-November 1 in Billings. The consultation session will continue efforts to process Phase II of Montana's In Lieu Selection application and engage in robust discussions with the Tribes and the State, which may generate some level of controversy. This is not a media event and is not open to the public. The BLM and DNRC will discuss the requested presentation regarding future management of lands selected by the State and the agenda, attendees, and details of the consultation session. This coordination meeting is not open to the public or the media.

On October 5, BLM-MT North Dakota Field Office will attend the Natural Resource Committee Meeting with the Mandan, Hidatsa and Arikara Nation in Newtown, North Dakota. The event is a regularly scheduled meeting that is held in the Tribal Business Council Chambers. The purpose of the gathering is to bring tribal groups, BLM, Bureau of Indian Affairs and representatives of the oil and gas industry to discuss common goals and the protection of natural resources. An agenda is not available. The North Dakota Field Office routinely coordinates with the Tribe to promote responsible energy development on the Fort Berthold Indian Reservation.

On October 5 - 9, BLM leadership will attend the National Fallen Firefighters Memorial in Emmitsburg, MD, to honor BLM firefighters killed in the line of duty.

On October 12 - 13, BLM-NV's Sierra Front-Northwestern Great Basin RAC will tentatively meet at the Winnemucca District Office.

On October 16, the 45-day public comment period concludes for the BLM-NV Draft Environmental Impact Statement for a proposed expansion of the Phoenix Mine. The gold and copper mine currently employs about 500 people and is located approximately 12 miles southwest of the town of Battle Mountain in Lander County, Nevada.

On October 17, BLM-CA will host the annual California Youth Summit at the California State University, Sacramento campus for the 5th year. BLM-CA External Affairs Chief Martha Maciel will be a keynote speaker.

On October 17 - 19, BLM Acting Deputy Director John Ruhs and Wild Horse and Burro Program Division Chief Dean Bolstad will attend the Wild Horse and Burro Advisory Board Meeting in Grand Junction, CO, to discuss program updates.

On Oct 23 - 24, a Sage Grouse Task Force meeting is scheduled in Denver to discuss any additional issues or concerns raised by stakeholders, specific proposed policy changes, and any remaining issues that may require a plan amendment in connection with Secretary's Order 3353. The task is led by the Governors of Wyoming and Colorado and includes membership from the 11 sage-grouse States, BLM, Forest Service, Natural Resources Conservation Service, USGS, and the Fish and Wildlife Service.

On October 26, BLM-NV will hold a competitive geothermal lease sale for 5 parcels totaling 12,615 acres in Elko, Eureka, and Lander Counties, NV. This lease sale is not expected to be controversial. At this time, the BLM cannot predict the level of bidding interest.

On November 6, BLM Acting Director Mike Nedd will attend the National Mining Association/BLM Sustainable Development Awards in Washington, DC. The awards are presented by the BLM in recognition of outstanding reclamation activities that restore land to other productive uses following mining operations, and community outreach programs that provide valuable infrastructure and conservation services to local communities.

On November 13 - 15, Special Assistant to the Secretary Kathy Benedetto will attend the Idaho Cattle Association Annual Convention in Sun Valley. She has been asked to speak about the Sage-Grouse Secretarial Order.

On November 13 - 19, BLM employees will attend the Society of American Foresters National Convention in Albuquerque, NM. BLM representatives are to be determined and an agenda is not yet available.

On November 13 - 15, Special Assistant to the Secretary Kathy Benedetto will attend the Idaho Cattle Association Annual Convention in Sun Valley, Idaho. An agenda is not yet available.

On December 1-2, BLM will attend the Western Governors' Association Annual Meeting in Phoenix, AZ. A BLM representative is to be determined. An agenda is not yet available.

On December 6, BLM-AK will hold an oil and gas lease sale for 900 tracts in the NPR-A. This will be BLM-AK's first online oil and gas lease sale, coordinated through the National Operations Center. At this point, the sale's controversy is unknown. The sale will be expected to be controversial if BLM-AK modifies the Integrated Activity Plan prior to the sale. Bidding is expected to be moderate due to the size of the sale, which is another potential source of controversy.

On December 7, BLM-NM will hold an oil and gas lease sale for 7 parcels totaling 2,104 acres in Eddy and Lea Counties. The sale is expected to be controversial and is likely to be protested by environmental groups who regularly protest all BLM-NM lease sales. The bidding is expected to be robust.

On December 7, BLM-CO will hold an oil and gas lease sale for 10 parcels totaling 1,227 acres in Garfield and Mesa Counties. The sale will likely be controversial. Bidding is expecting to be robust.

On December 7, Special Assistant to the Secretary Kathy Benedetto will give the keynote address for the Public Lands session at the American Exploration and Mining Conference in Reno, NV. Topics for the speech have not yet been determined.
