Mark,

Thought that this is something that you should be aware of. Probably a close hold document at this point.

Hi Jim,

The Bears Ears Commission asked me to forward you a copy of the attached letter regarding the Commission's view of the review process and, in particular, the Commission's role in the management of the National Monument. As you know, the Presidential Proclamation provides the Commission with a role in the management of the Monument. Under the Proclamation, the Commission asks that it be included in management discussions related to Secretary Zinke's Interim Report due on June 10th.

Please feel free to contact me to schedule these management discussions. Thanks,

Rollie Wilson
